CASE NO. 206 CV-1115. MAT

Richard Allen
et. ALRebuttal To Defendant
Special Report

Come now Plaintiff in the above style cause and does say that the medical Defendants come with the same issues that the Dept. of Correction used. Plaintiff has sent with his complaint Grievance forms. That Plaintiff filed here at Bullock Correctional Center, and has Grievance forms that he has filed while at Hamilton A.I. Plaintiff has filed every available means trying to get adequate medical treatment. To no avail. Plaintiff has suffered with Terrible Pain. Cause by Pinched Nerves in his Back. Plaintiff Just Plainly Refuse To spend ANY money To stop plaintiff from Pain and suffering. But P.H.S is willing To give plaintiff all kinds of cosmetic treatment. plaintiff received a copy of The Special Report March 8 07. after Plaintiff Filed

The motion to compel Plaintiff will show this Honorable court that Doctor Siddig Did know that Plaintiff was Allergic to Advil and Ibuprofen. Because Plaintiff personally told Doctor Siddig. The Doctor reply was I quote! you don't have to take it! unquote!

Plaintiff owes \$175.00 for co pay to the Dept of Corr. and still has not been given adequate treatment. Plaintiff is charged regardless of adequate treatment which Plaintiff never gets! Prisoner Health services make their profit from human suffering. The more inmate who has to suffer the more profit P.H.S. make!. Federal Rules of Procedure 56 c To Discharge their initial burden in seeking summary judgment The Defendants must generally do more than simply allege that you have failed to prove your case. (see Celotex Corp v Catrett 477 US 317 323 - 324 1986 I.D at 328 White J concurring Clark v Catts and Clark Inc 929 F2d 604 608 11 Cir 1991 Rule 56 E. The Defendants are merely putting on a lot of legal mumbo jumbo just trying to look effective. it is basically the same special report the Alabama Dept of Correction filed, Plaintiff is looking forward to see what the Defendants answer to this Honorable court order on March 1 - 07
